Who We Are

The Order of the Sons of Italy in America (OSIA) is the oldest, largest and most demographically diverse organization representing 23 million men and women of Italian heritage in North America.

Founded in 1905, we are celebrating 100 years! OSIA's membership represents a cross section of our diverse Italian-American Community. Eligible members include male and female adults over the age of 16 who are of Italian birth or descent, and their spouses. Non-Italians may join as social members.
